Hawkins STEMM Academy APP!

We are proud to announce that HAWKINS STEMM has our own mobile app!
Download our app today and stay in touch with what's happening at Hawkins. Push notifications will be sent for important events like delays/closings, meetings, etc.
Search for: Hawkins TPS in your App Store!

IMPORTANT BUILDING PROCEDURES

- Security - New this year is a security and contact tracing requirement that EVERY person who enters the building must provide their state ID in the main office. The ID will be scanned by the RAPTOR Visitor Management System. This system screens and tracks everyone coming in and out of TPS buildings. Benefits:
 - Accurate and reliable visitor details and sign-in history are recorded for every visitor that enters our schools which includes COVID questioning for tracing purposes if needed.
 - The system checks visitors against a custom database set by TPS, which may contain custody alerts and/or banned visitors.
- Early Pickup - The end of the school day at Hawkins tends to be very busy. If your child needs to be released early, please do so before 2:45 p.m. No exceptions!
- Dismissal - Please follow all staff directions at dismissal. Just a reminder, we need to leave space for the busses to park and to follow the appropriate traffic patterns at dismissal. Students K-3 are dismissed at 3:10 p.m. and grades 4-6 at 3:15 p.m. Due to state requirements, 7 & 8th grade students are not released until 3:30 p.m. Please be on time to pick up your student(s) as there is no child care for students after 3:30 p.m. All bus riders will wait in classrooms for their bus to arrive, and younger sibling(s) waiting to walk with their older sibling(s) will be held in the atrium at dismissal. Once the buses begin to arrive, students will be walked to their designated bus. Once older walkers are dismissed, they are permitted to stop by the atrium and pick up their younger siblings

From Nurse Ashley

- Covid-19 Symptoms: Parents please remember that students should NOT be coming to school if they have ANY of the following symptoms: Cough, shortness of breath, loss of taste or smell, fever, sore throat, congestion/runny nose, headache, body aches, chills, nausea/vomiting, or diarrhea. If your student has any of these symptoms call/email me to discuss when your student may return to school.
- Kinsa FLUency School Health Program: Free thermometers available! Our school is partnering with Kinsa's FLUency School Health Program this year. Sign up with our school in the Kinsa app to get your free thermometer. Check your inbox for a confirmation email afterward to make sure your order went through. Or text FLUENCY to 900900 to sign up. Deadline to sign up is March 8th
- Attention 6th grade parents: All students entering 7th grade are required to have Tdap and Meningitis vaccines. If your student has already had these please send a copy of their immunization record to school. If your student has not had them please contact your doctor to make an appointment. If you need information on where to go to get these immunizations please contact me.

I NEED TO STAY HOME IF....						
I HAVE COVID-19 SYMPTOMS	I HAVE A FEVER	I AM VOMITING	I HAVE DIARRHEA	I HAVE A RASH	I HAVE HEAD LICE	I HAVE AN EYE INFECTION
						
See Symptoms Below*	Temperature of 100°F or Higher	Within in the past 24 hours	Within in the past 24 hours	Body rash with oozing, drainage or fever	Itchy head, active head lice	Redness, itching, and/or pus drainage from eye
I AM READY TO RETURN WHEN....						
The current guidelines have been met according to your diagnosis	Fever free for 24 hours without the use of fever reducing medication. i.e. Tylenol/ Motrin	Free from vomiting for at least 24 hours and have had 2 solid meals	Free from diarrhea for at least 24 hours	Free from rash, or fever and have been evaluated by my doctor if needed.	Treated with appropriate lice treatment at home, no live lice present	Free from drainage, and/or have been evaluated by my doctor. Have a note to return to school.
*COVID-19 Symptoms	Fever or chills (fever of 100 degrees or higher) - Cough - Shortness of breath or difficulty breathing - Fatigue - Muscle or body aches - Headache - New loss of taste or smell - Sore throat - Congestion or runny nose - Nausea or vomiting - Diarrhea					
COVID-19 shares many similar symptoms with the Flu, the common cold, seasonal allergies and more						

From our community partner, Epworth UMC

Thank you to the family members of Hawkins students who took time to talk with our volunteer phone callers last month. We enjoyed the opportunity to speak with many of you. Any concerns about difficulties your family experienced with online learning that you shared with us were passed on to the Hawkins Student Support Team. We hope those families that we were unable to speak with personally have received our postcards. If you experience difficulties with online learning in the future (academics, basic needs like housing or employment, connections to food support, health services, or technology support for remote learning) please contact Hawkins STEMM Academy at 419-671-1550, and your request for assistance will be forwarded to the Student Support Team.

Contact Information

Please keep all contact and medical information current. If your student's contact and/or medical information changes, please send the new information to the school with your child or call the school at 419-671-1550.

T.A.C.K.L.E., A School-Based Services Program

The T.A.C.K.L.E. program will return to Hawkins this school year. The goal of the program is to “build collaborative relationships with schools and community resources to address the mental health and school success of children and adolescents.” The program provides consultation to parents, intervention for students, and resource connections for families. Our T.A.C.K.L.E. case manager is Ms. Reagan Boice. For more information about the program and its resources, please email Ms. Boice at rboice@rfstackle.com

Box Tops for Education

Hawkins Elementary collecting virtual box tops for education. New to the program is scanning your receipt rather than clipping. Use the new Box Tops app to scan your store receipt within 14 days of purchase. The app will find participating products and instantly add Box Tops to your school's earnings online. To learn more about the program and see a full list of Box Top products, you can visit: BTFE.com/BonusApp and/or BTFE.com/Products.

Welcome to the School Counselor's Corner

Hello Wonderful Families,

My heart can't hardly believe we are back in school. It is a privilege to see these wonderful faces, even if it means I have to look up to see their faces because they have grown. We are here for students and want them to feel welcome, cared for, and safe. The world is not back to normal, but we will continue to support your students in every way possible.

Over the last year, we have definitely learned we cannot control everything, especially other people. However, there are several things we can control, including ourselves. Let's continue to build a healthy school community by fine tuning some of our own skills.

Here are a few ideas to keep our coping skills sharp. Believe it or not, children and us grown ups need reminders and easy steps and ideas too. Take a look!

Community Resources

(419) 360-4939 <https://goodgriefnwo.org>

Mission Statement:

Good Grief of Northwest Ohio, Inc. provides support for children, teens, young adults, and their families, who have experienced the death of someone significant in their lives. Good Grief of Northwest Ohio offers a safe, healing place to gather, grieve, receive and share support. By talking and listening to one another, they can work through the feelings of loss and ultimately establish a new normal. Creative activities like playing, making art, listening to music, and writing help children and teens make sense of their situation.
