Computer Science Spirit Week!

The hour of code is a global movement introducing tens of millions of students worldwide to computer science and coding, inspiring them to feel empowered. All Hawkins STEMM students will participate in at least one Hour of Code activity during the Computer Science Education Week. Help us celebrate by participating in the Spirit Week Dress Up Days!

Monday November 27
Algorithm and Code Day

Wear a shirt with your favorite Code character! Angry Birds, Minecraft, Elsa or Ana, Star Wars, etc. Check out the code.org website for additional character ideas.

Tuesday November 28
Give Credit to your Sources!

NEON day! Wear something BRIGHT!

Wednesday November 29
(404) Error Day

Wear a mismatched outfit!

Thursday November 29
Cybersecurity Day

Wear Camouflage to stay hidden and protected.

Friday December 1
Binary and RGB Day

Wear a shirt with zeros and ones or something Red, Blue, or Green which are the basic colors used in a computer monitor.
